ADF&G Changes Issuance Date and Announces Number of Permits Available for Hunts RX070/RX071

(Bethel) – The Alaska Department of Fish and Game announces a change to when Nelson Island muskox registration permits RX070 and RX071 will be available. A total of 40 permits will be available on January 17, 2024 in Newtok, which is a week earlier than the January 24, 2024 date noted in the 2023-2024 Alaska Hunting Regulations book. Additional information regarding the number of bulls and cows to be harvested will be made available after fall surveys. We apologize for any inconvenience this may cause.
